

ASID QLD Event

Real life challenges for young people with cognitive disabilities

Some young people with cognitive disabilities are still treated badly. This conference shares research about this.

We will be talking about what is happening:

- in the NDIS
- in the criminal justice system
- to keep young people safe

	<p>Date: Monday 29th September 2025 Time: 2.30pm – 5pm</p>
	<p>Where: Modwest Building (11A), St Lucia Campus, The University of Queensland</p>
